SCHEDULE "A" TO BY-LAW NO. 2016-01

## RIVERDALE MUNICIPALITY SPECIAL SERVICE PROPOSAL NO. 01-16

FOR

### PROVISION OF FIRE PROTECTION SERVICES IN THE MUNICIPALITY

(Pursuant to Subsection 314 of the Municipal Act)

**A. Description of the Proposed Special Service**

Riverdale Municipality intends to continue providing Fire Protection to its citizens. In recent years, the former Town of Rivers and the RM of Daly had an agreement to cost share the service, including all capital costs. The former Town of Rivers collected their share by way of Special Service Levy, and the former Rm collected their share by general mill rate. With the amalgamation of the former entries, the existing method of collection was left in place. This method places an extra burden on the residents of Rivers as they are paying by way of levy as well as a portion through the general mill rate.

This Special Service Plan proposes to continue to levy a per parcel tax for provision of fire protection services, to all benefiting property owners, including railway companies, in Riverdale Municipality.

**B. Special Service Area to be Levied**

The Special Service Area to be levied under this proposal will be all taxable, grant-in-lieu and otherwise exempt properties in Riverdale Municipality, including Classification 52, Railway companies as described in Schedule B attached hereto.

**C. Estimated Cost of the Service**

Riverdale Municipality will budget in 2016 to 2019 inclusive the following amounts for the services included in this proposal.

Costs:

Fire Training and Callouts	\$ 17,250.00
Other Fire Expenses	26,750.00
Reserve Contribution (including annual capital costs)	40,000.00
Amortization *(Continuity Schedule)	<u>11,202.04</u>
TOTAL	\$ 95,202.04

Estimated cost	<u>\$ 95,202.04</u>
----------------	---------------------

**D. Method and Rate of Calculating the Proposed Special Service Tax**

The Special Service Tax will be calculated on a per parcel basis. The rate will be \$ 75.89 per property classified as 10, 20, 40, 50 or 60, and \$11.55 per property with only a 30T Classification, as listed in Schedule B, attached.

Any levy in excess of cash disbursement will be placed in the Fire Protection Reserve Fund pursuant to Section 324 of the Municipal Act.

## **RIVERDALE MUNICIPALITY BY-LAW 2016-01**

### **E. Funds Generated by this Special Service Tax**

The Special Service Tax will raise \$95,197.01. In addition any unforeseen costs or un-anticipated expenditures will be funded by the Municipality's Operations Budget and included in the general municipal levy.

The aforementioned Special Service Tax will be set out in the Financial Plan for the years 2016 to 2019 inclusive.
