

RIVERS, RIVERDALE MUNICIPALITY, MANITOBA, July 13, 2020 - UPDATE for Riverdale Municipality

As of 2:00 PM, July 13th, 2020, the Province of Manitoba announced that following the assessment of the Rivers Reservoir Dam, the Province has regained confidence in the integrity of the structure.

All evacuees may return to their homes.

Evacuees should remain on alert and bag ready in the event of any forecasted heavy rains such as was experienced in the latter part of June.
