

RIVERDALE MUNICIPALITY
BY-LAW 2025-05

BEING A BY-LAW OF RIVERDALE MUNICIPALITY TO ESTABLISH TIPPING FEES
AND REGULATIONS FOR THE WASTE DISPOSAL GROUNDS

WHEREAS Section 232(1) of The Municipal Act authorizes a council to pass by-laws for municipal purposes, including the operation and management of waste disposal grounds; and

WHEREAS it is deemed necessary and expedient to establish fees, definitions, and rules for the disposal of waste at Riverdale Municipality’s landfill site(s);

NOW THEREFORE the Council of Riverdale Municipality, in open session duly assembled, enacts as follows:

1. TITLE

This by-law may be referred to as the “Landfill Tipping Fee By-law.”

2. DEFINITIONS

“Residential Waste” means waste generated from a dwelling or residential accessory building owned or occupied by a Riverdale resident, and not generated as part of a business, contractor, or commercial operation.

“Construction, Renovation, and Demolition (CRD) Waste” means waste resulting from the construction, alteration, renovation, or demolition of buildings or structures.

“Commercial/Contractor Waste” means waste generated by a contractor, business, farm, or other enterprise as part of its operations, or waste hauled on behalf of third parties for a fee.

“Resident” means a taxpayer or occupant of property within Riverdale Municipality.

“Non-Resident” means all others.

“Mixed Load” means a load containing more than one type of waste stream that requires different handling.

“Highest Applicable Rate Rule” means that mixed loads will be charged at the highest category fee represented in the load.

“Load” means a quantity of waste brought to the landfill in a single vehicle or vehicle/trailer combination.

3. GENERAL REGULATIONS

(1) All waste delivered to the landfill must be sorted and disposed of in the designated area as directed by landfill staff.

(2) The Municipality reserves the right to refuse any load containing prohibited materials.

(3) Residents hauling CRD Waste in a commercial or farm vehicle may qualify for residential rates by completing a Residential Source Declaration Form attesting that the waste originated from their own property.

(4) Vehicle type shall not, on its own, determine the classification of a load.

(5) Mixed Loads will be charged according to the Highest Applicable Rate Rule.

(6) Non-residents and commercial/contractor users shall pay according to the Non-Resident/Commercial schedule.

4. ACCESS KEYS

(a) Contractors or local businesses utilizing municipal landfill access keys shall be charged \$250.00 + GST for lost keys or keys not returned within two (2) business days of request or project completion.
