

## DID YOU KNOW?

Riverdale Municipality has zoning rules for home based businesses and home industries to help residents operate small businesses from their property while maintaining neighbourhood safety, peace and appearance.

## Key Rules for A Home Based Business

**They must be operated by someone living in the home**

**Business space is limited to 25% of your homes total floor area**

**They may operate in your home or an accessory building on your property**

**No outdoor storage, display, or excessive traffic, noise, or odour**

## WHAT IS REQUIRED

You must fill out a development permit, and annually pay your business license! ALL businesses operating within the municipality must have a valid business license! These are renewed each year by January 1.

A current business license provides:

- Recognition as an approved business in Riverdale
- Access to the landfill during office hours
- Support for local economic development initiatives

## TOPIC 03

**Community-Led Sustainability Initiatives**  
Local businesses team up for eco-projects like urban gardening and waste management, strengthening community ties.
