Lest We Forget

WINTER LANDFILL HOURS

Wednesdays 9:30am - 12:30pm
Saturdays 9:30am - 12:30pm & 1pm - 4pm

Closed all Statutory Holidays & open the following day.

Our recreational grounds, particularly the baseball fields and soccer pitches, are NOT acceptable places to let pets roam and leave behind feces. Volunteers work hard to keep these spaces clean for everyone to enjoy. Please pick up after your pets and take used, bagged waste with you for proper disposal. Do not leave it behind for staff or volunteers to clean up. Please respect our community spaces!

Reminder!

With winter just around the corner (we know, we don't want to think about it either!), residents are reminded to please remove all campers and trailers from municipal boulevards.

Leaving campers and trailers on boulevards creates safety concerns and can also interfere with our Public Works staff when they are out clearing snow during the winter months.

Please ensure all campers and trailers are parked in a designated driveway or neatly stored at the rear of your property.

Thank you for your cooperation and for helping us keep our community safe and ready for the winter season!

Help us Preserve our Caboose

The caboose located in Millennium Park is a special feature of our community, serving as a place for residents and visitors to enjoy while paying tribute to the railway heritage that helped shape our community.

Unfortunately, the caboose has once again been broken into and vandalized. Over the past couple of years, the Municipality has spent more than $2,000 repairing repeatedly broken windows, obtaining custom paint to cover graffiti, and barricading windows and other openings in an effort to protect this community feature.

Despite these efforts, we recently discovered that individuals had once again gained access to the caboose and removed bolts from the structure.

This is incredibly disappointing. These ongoing incidents take valuable municipal resources away from other community improvements, beautification projects and recreational opportunities that benefit everyone. We want this caboose to remain a feature that our community can enjoy for years to come, but continued vandalism puts its future at risk.

Please help us protect and respect our community spaces. If you witness suspicious activity or vandalism, please report it. Let's work together to preserve the things that make our community special!

A Reminder About Road Safety

With school back in session, we all have a responsibility to slow down, pay attention and respect the rules of the road.

The Municipality has received numerous complaints regarding speeding, particularly along 5th Street. This is a serious concern for pedestrians, children and families who want to safely enjoy their neighbourhood streets and yards.

Please be mindful of your speed, watch for children and pedestrians, and remember that residential streets are shared spaces.

If you witness dangerous driving or ongoing traffic safety concerns, please contact the RCMP at 204-726-7522.
