## **STATEMENT OF RESPONSIBILITY**

**To the Ratepayers of the Riverdale Municipality:**

The Municipality's management is responsible for the preparation and presentation of the accompanying consolidated financial statements in accordance with Canadian public sector accounting standards (PSAS). The preparation of the consolidated financial statements necessarily includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgments and estimates by management are required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting, budget, and other related internal controls to provide reasonable assurance that transactions are appropriately authorized and accurately recorded, that assets are properly accounted for and safeguarded, and that financial records are properly maintained to provide reliable information for the preparation of the consolidated financial statements.

The Council is composed of elected officials who are not employees of the Municipality. The Council is responsible for overseeing management in the performance of its financial reporting responsibilities. The Council fulfills these responsibilities by reviewing the financial information prepared by administration and discussing relevant matters with external auditors. The Council is also responsible for recommending the appointment of the Municipality's external auditors.

Sensus Chartered Professional Accountants Ltd., an independent firm of Chartered Professional Accountants, is appointed by the Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and administration to discuss their audit findings.

Mayor

## INDEPENDENT AUDITOR'S REPORT

S  
e  
n  
s  
u  
s

To the Mayor and Council of:  
Riverdale Municipality  
Rivers, Manitoba

### Qualified Opinion

We have audited the consolidated financial statements of Riverdale Municipality, which comprise of the consolidated statement of financial position as at December 31, 2022 and the consolidated statement of operations, statement of changes in net debt, and statement of cash flows for the year then ended, and notes to the consolidated financial statements including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Riverdale Municipality as at December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Qualified Opinion

We were not able to observe the counting of the physical inventories or satisfy ourselves concerning those inventory quantities by alternative means for the gravel and culvert inventory balance. Our audit opinion on the consolidated financial statements for the year ended December 31, 2022, was modified accordingly because of the possible effects of this limitation in scope. Accordingly, we were unable to determine whether any adjustments might have been found necessary in inventory, the consolidated statement of operations, consolidated statement of changes in net debt, and consolidated statement of cash flows.

Riverdale Municipality has departed from Canadian public sector accounting standards as a reasonable estimate for the closure and post-closure costs of the landfill has not been performed. Therefore, the underlying accounting records are not complete as there is no current closure and post-closure estimated costs included in the audited financial statements. As we are unable to determine the effect of the unrecorded liability on the consolidated financial statements we have qualified our audit opinion.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Riverdale Municipality in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing Riverdale Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Riverdale Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Riverdale Municipality's financial reporting process.

## Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian auditing standards, we exercise our professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Riverdale Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Riverdale Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Riverdale Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the directions, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**RIVERDALE MUNICIPALITY**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**For the year ended December 31, 2022**

---

---

**1. STATUS OF THE RIVERDALE MUNICIPALITY**

The incorporated Riverdale Municipality ("the Municipality") is a Municipality that was established as of January 1, 2015 pursuant to The Municipal Amalgamations Act. The Riverdale Municipality reflects the amalgamation of the former RM of Daly and Town of Rivers. The Municipality provides or funds municipal services such as police, fire, public works, planning, parks and recreation, library and other general government operations. The Municipality owns two utilities, has several designated special purpose reserves and provides funding support for other financial entities involved in economic development, recreation and tourism.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The consolidated financial statements have been prepared in accordance with public sector accounting standards as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada and reflect the following significant accounting policies:

**Reporting Entity**

The consolidated financial statements include the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all the funds, agencies, local boards, and committees of the Council which are controlled by the Municipality. Control is defined as the power to govern the financial and reporting policies of another organization with the expected benefits or risk of loss to the Municipality. The controlled organizations are consolidated after adjusting their accounting policies to a basis consistent with the accounting policies of the Municipality. Inter-fund and inter-company balances and transactions have been eliminated. The controlled organizations include:

Prairie Crocus Regional Library  
Rivers Recreation Facility Review Committee  
Riverdale Recreation Commission  
Rivers Daly CDC  
Rivers Handi-van Committee

The Municipality has a partnership agreement in place, and as such, consistent with generally accepted accounting treatment for government partnerships, the following local agencies, boards and commissions are accounted on a proportionate consolidation basis whereby the Municipality's pro-rata share of each of the assets, liabilities, revenues and expenses are combined on a line by line basis in the financial statements. Inter-company balances and transactions have been eliminated. The Municipality has the following government partnership:

Midwest Weed District (26%) (2021 - 26%)

**RIVERDALE MUNICIPALITY**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**For the year ended December 31, 2022**

---

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Reporting Entity (continued)**

The taxation with respect to the operations of the school divisions are not reflected in the Municipality surplus of these financial statements.

Trust funds and their related operations administered by the Municipality are not consolidated in these financial statements. The trust funds administered by the Municipality are presented in Note 17.

**Basis of Accounting**

The consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon the receipt of goods and services or the creation of an obligation to pay.

**Investments**

Temporary investments are accounted for at the lower of cost and market.

Portfolio investments are accounted for at the lower of cost and net realizable value.

**Real Estate Properties Held for Sale**

Real estate properties held for sale are recorded at the lower of cost and net realizable value. Cost includes the amount of acquisition, legal fees, and improvements to prepare the properties for sale or servicing.

**Non-Financial Assets**

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the change in net financial assets for the year.

Real estate properties and inventories held for sale are classified as non-financial assets if it is anticipated that the sale will not be completed within one year of the reporting date.

**RIVERDALE MUNICIPALITY**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**For the year ended December 31, 2022**

---

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Tangible Capital Assets**

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Donated assets are recorded at their estimated fair value upon acquisition. Certain tangible capital assets for which historical cost information is not available have been recorded at current fair market values discounted by a relevant inflation factor. Certain assets are disclosed at a nominal value as the determination of current fair market value was not available. The Municipality does capitalize interest charges as part of the cost of its tangible capital assets.

**General Tangible Capital Assets**

Land	Indefinite
Land improvements	10 to 30 years
Buildings and leasehold improvements	
Buildings	25 to 40 years
Leasehold improvements	Life of lease
Vehicles and equipment	
Vehicles	5 years
Machinery, equipment and furniture	10 years
Maintenance and road construction equipment	15 years
Computer hardware and software	4 years

**Infrastructure Assets**

Transportation	
Land	Indefinite
Road surface	20 to 30 years
Road grade	40 years
Bridges	25 to 50 years
Traffic lights and equipment	10 years
Water and Sewer	
Land	Indefinite
Land improvements	30 to 50 years
Buildings	25 to 40 years
Underground networks	40 to 60 years
Machinery and equipment	10 to 20 years
Dams and other surface water structures	40 to 60 years

Certain assets which have historical or cultural value including works of art, historical documents as well as historical and cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of the future benefits associated with such property cannot be made. Intangibles, Crown lands that have not been purchased by the Municipality, forests, water, and other natural resources are not recognized as tangible capital assets.

**RIVERDALE MUNICIPALITY**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**For the year ended December 31, 2022**

---

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Leases**

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to the ownership or property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

**Inventories**

Inventories held for sale are recorded at the lower of cost and net realizable value.

Inventories held for consumption are recorded at the lower of cost and replacement value.

**Revenue Recognition**

Revenues are recognized as they are earned and measurable.

Government transfers are recognized in the financial statements when the transfer is authorized and eligibility criteria are met except, when and to the extent, stipulation by the transferor gives rise to an obligation that meets the definition of a liability. Stipulations by the transferor may require that the funds only be used for providing specific services or the acquisition of tangible capital assets. For transfers with stipulation an equivalent amount of revenue is recognized as the liability is settled.

**Deferred Revenue**

Deferred revenue represents grants, user charges, and other fees which have been collected, for which the related services have yet to be provided. These amounts will be recognized as revenue in the fiscal year the services are provided.

**RIVERDALE MUNICIPALITY**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**For the year ended December 31, 2022**

---

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Measurement Uncertainty**

Estimates are used to accrue revenues and expenses in circumstances where the actual accrued revenues are unknown at the time the financial statements are prepared. Uncertainty in the determination of the amount at which an item is recognized in the financial statements is known as measurement uncertainty. Such uncertainty exists when there is a variance between the recognized amount and another reasonable possible amount, as there is whenever estimates are used.

Measurement uncertainty in these financial statements exists in the accrual of the landfill closure and post closure liabilities. The accrual of the landfill liabilities is based on estimated future cash flows discounted to the financial statement date. The estimate of the future cash flows and the closure date of the landfill are based upon the best estimates by management. The actual future cash flows and closure date may differ significantly.

**Future Changes in Accounting Standards**

A number of new and amended Canadian public sector accounting standards have been issued and not applied in preparing these financial statements. These standards will come into effect as follows:

- PS 3450 Financial Instruments (effective January 1, 2023) defines and provides guidance for accounting and reporting all types of financial instruments including derivatives.
- PS 2601 Foreign Currency Translation (effective January 1, 2023) replaces PS 2600 with revised accounting and reporting principles for transactions that are denominated in a foreign currency.
- PS 1201 Financial Statement Presentation replaces PS 1200 with general reporting principles for disclosure of information and is effective in the period PS 2601 and PS 3450 are adopted.
- PS 3041 Portfolio Investments replaces PS 3040 with revised accounting and reporting principles for portfolio investments and is effective in the period PS 2601 and PS 3450 are adopted.
- PS 3280 Asset Retirement Obligations (effective January 1, 2023) defines and provides guidance for accounting and reporting retirement obligations associated with tangible capital assets and includes the withdrawal of PS 3270 Solid Waste Landfill Closure and Post-Closure Liability.
- PS 3400 Revenue (effective January 1, 2024), a new standard establishing guidance on the recognition, measurement, presentation and disclosure of revenue. Earlier adoption is permitted.
- PS 3160 Public Private Partnerships (effective January 1, 2024), is a new standard establishing guidance on the recognition, measurement and disclosure of public private partnerships arrangements. Earlier adoption is permitted.

These new accounting standards have not been applied in preparing these consolidated financial statements.

The Municipality is currently assessing the impact of the new standards, and the extent of the impact of their adoption on the consolidated financial statements has not yet been determined.

**RIVERDALE MUNICIPALITY**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
For the year ended December 31, 2022

---

---

**3. CASH**

Cash is comprised of the following:

	2022	2021
Cash	\$ 1,957,246	\$ 2,308,811
Temporary investments	13,546	13,503
	<hr/>	<hr/>
	\$ 1,970,792	\$ 2,322,314
	<hr/>	<hr/>

The Municipality has designated \$2,605,950 (2021- \$2,525,237) to reserves for debt principal repayments and tangible capital asset acquisitions. See Schedule 6 – Schedule of Change in Reserve Fund Balances.

**4. AMOUNTS RECEIVABLE**

Amounts receivable are valued at their net realized value.

	2022	2021
Taxes on roll (Schedule 11)	\$ 412,080	\$ 377,764
Utility customers (Schedule 8)	125,160	78,240
Organizations and individuals	465,107	247,737
Other governments	145,756	104,161
	<hr/>	<hr/>
	\$ 1,148,103	\$ 807,902
	<hr/>	<hr/>

**5. PORTFOLIO INVESTMENTS**

	2022	2021
Non Redeemable GIC's	\$	\$ 20,000
	<hr/>	<hr/>

The aggregate market value of the portfolio investments at December 31, 2022 is \$0 (2021 - \$20,000). Portfolio investments earned \$500 in investment income during the year (2020 - \$500).

**6. INVENTORIES**

	2022	2021
<b>Inventories for use:</b>		
Culverts	\$ 14,518	\$ 18,456
Gravel	73,231	73,231
	<hr/>	<hr/>
	\$ 87,749	\$ 91,687

**For the year ended December 31, 2022**

---

---

**12. RETIREMENT BENEFITS**

The majority of the employees of the Municipality are members of the Municipal Employees' Pension Plan (MEPP), which is a multi-employer defined benefit pension plan. MEPP members will receive benefits based on 1.5% of their final average yearly Canada Pension Plan (CPP) earnings times years of service, plus 2.0% of their final average yearly non-CPP earnings times years of service. The costs of the retirement plan are not allocated to the individual entities within the related group. As a result, individual entities within the related group are not able to identify their share of the underlying assets and liabilities. Therefore, the plan is accounted for as a defined contribution plan in accordance with the requirements of the Chartered Professional Accountants of Canada Handbook section PS3250.

Pension assets consist of investment grade securities. Market and credit risk on these securities are managed by MEPP by placing plan assets in trust and through MEPP investment policy. The pension expense is based on the contribution rate. The MEPP required that employees contribute 8.3% of basic annual earnings up to the CPP ceiling plus 9.5% of basic annual earnings in excess of the CPP ceiling, plus an additional 0.1% of earnings below and in excess of the CPP ceiling from employees that are not members of the Municipal Disability Income Plan. The employers are required to match the employee contributions to the MEPP. Actual contributions to MEPP made during the year by the Municipality on behalf of its employees amounted to \$75,422 (2021- \$75,844) and are included in the statement of operations.

Subject to the following paragraph, any unfunded liabilities are to be funded by the participating employers. The most recent actuarial valuation as of December 31, 2021 indicated the plan was 101.4% funded on a going concern basis and has an unfunded solvency liability of \$249 million. The solvency position of the plan is determined by comparing the plan assets to the actuarial present value of the benefits accrued in respect of credited service up to the valuation date, calculated as if the plan were wound up on December 31, 2021.

In 2010, the Government of Manitoba enacted a regulation which permits sponsors of public sector pension plans, including MEPP, to elect permanent exemption from solvency funding requirements subject to certain conditions stated in the regulation. MEPP has elected permanent exemption from solvency requirements. As a result, solvency funding is no longer required by MEPP.

**13. FINANCIAL INSTRUMENTS**

The Municipality as part of its operations carries a number of financial instruments. It is management's opinion the Municipality is not exposed to significant interest, currency or credit risk arising from these financial instruments, except as otherwise disclosed. Unless otherwise noted, the fair value of these financial instruments approximates their carrying values.

**14. BUDGET**

The financial plan is prepared on a revenue and expenditure basis. For comparative purposes, the Municipality has modified its financial plan to prepare a budget that is consistent with the scope and accounting principles used to report the actual results. The budget figures used in these financial statements have been approved by council.

The reconciliation between the financial plan and the budget figures used in these statements is disclosed in Schedule 10 - Reconciliation of the Financial Plan to the Budget.

	<hr/>	<hr/>
Accumulated Surplus per Consolidated Statement of Financial Position	\$ 16,629,786	\$16,689,874
	<hr/>	<hr/>

**16. PUBLIC SECTOR COMPENSATION DISCLOSURE**

It is a requirement of the Public Sector Compensation Disclosure Act that annual public disclosure be made of aggregate compensation paid to members of council, and of individual compensation in an amount exceeding \$75,000 annually to any member of council, officer or employee of the Municipality. For the year ended December 31, 2022:

- a) Compensation paid to members of council amounted to \$61,210 in aggregate.
- b) There were no members of council receiving compensation in excess of \$75,000 individually.

**Council Members:**

	<u>Compensation</u>	<u>Expenses</u>	<u>Total</u>
Todd Gill	\$ 9,000	\$ 2,008	11,008

---

**16. PUBLIC SECTOR COMPENSATION DISCLOSURE (continued)**

c) The following employees received compensation in excess of \$75,000:

<u>Name</u>	<u>Position</u>	<u>Amount</u>
Kat Bridgeman	CAO	\$ 99,959
Lon Schwartz	Chief of Police	88,523
Dennis Rollins	Constable	81,989
Sohit Jit Maini	Constable	75,955

**17. TRUST FUNDS**

The Municipality administers the following trust funds:

	<u>Balance, beginning of year</u>	<u>Excess (deficiency) of receipts over disbursements</u>	<u>Balance, end of year</u>
Cemetery Trust	\$ 43,674	\$ (401)	\$ 43,273
Anniversary Trust	29	(28)	1
	<u>\$ 43,703</u>	<u>\$ (429)</u>	<u>\$ 43,274</u>

**18. SEGMENTED INFORMATION**

The Riverdale Municipality provides a wide range of services to its residents. Segment information has been provided in Schedule 4 for the following services:

- General government services
- Protective services
- Transportation services
- Environmental health services
- Public health and welfare services
- Regional planning and development
- Resource conservation and industrial development
- Recreation and cultural services
- Water and sewer services

Revenues and expenses represent amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies of the segments are consistent with those followed in the preparation of the financial statements as described in the summary of significant accounting policies.

**RIVERDALE MUNICIPALITY**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**For the year ended December 31, 2022**

---

---

**19. PUBLIC UTILITIES BOARD**

The Public Utilities Board (PUB) regulates the rates charged by all water and sewer utilities, except the City of Winnipeg utility and those utilities operated by the Manitoba Water Services Board. PUB has the authority to order any owner of a utility to adopt uniform and prescribed accounting policies. The PUB's prescribed accounting policies on tangible or contributed capital assets and government transfers allow for adjustments to be made, for rate setting purposes, which do not meet PSAB standards.

For information purposes, the Municipality has deferred the capital grants and/or contributed assets it has received in the past for its utilities and amortized them over the useful life of the related tangible or contributed capital asset.

No capital grants have been deferred and amortized in these financial statements.

The following table provides historical information on capital grants for tangible or contributed capital assets with a remaining net book value.

**Water services:**

<u>Description of Utility</u>	<u>Unamortized Opening Balance</u>	<u>Additions During Year</u>	<u>Amortization During Year</u>	<u>Unamortized Balance Ending</u>
Daly Rivers	\$ 118,565 2,820,454		\$ 4,160 76,771	\$ 114,405 2,743,683
	\$ 2,939,019		\$ 80,931	\$ 2,858,088

**Sewer services:**

<u>Description of Utility</u>	<u>Unamortized Opening Balance</u>	<u>Additions During Year</u>	<u>Amortization During Year</u>	<u>Unamortized Balance Ending</u>
Rivers	\$ 2,562,739		\$ 92,908	\$ 2,469,831

---

---

**20. GOVERNMENT PARTNERSHIPS**

The Municipality has a partnership agreement for municipal spraying services. The consolidated financial statements include the Municipality's proportionate interest, as disclosed in Note 2. The aggregate financial statements of the government partnership, in condensed summary, is as follows:

	<b>2022</b>	<b>2021</b>
<b>Financial Position</b>		
Financial assets	\$ 12,256	\$ 10,992
Liabilities	2,127	587
Net financial assets	<u>10,129</u>	<u>10,405</u>
Non-financial assets	<u>12,373</u>	<u>14,533</u>
Accumulated surplus	<u><u>\$ 22,502</u></u>	<u><u>\$ 24,938</u></u>
<b>Result of Operations</b>		
Revenues	\$ 33,927	\$ 33,853
Expenses	41,103	35,002
Intercompany revenue and expense eliminations	4,740	4,477
Annual surplus (deficit)	<u><u>\$ (2,436)</u></u>	<u><u>\$ 3,328</u></u>

**21. RELATED PARTY TRANSACTIONS**

Gill's Plumbing and Heating is considered a related party to the Municipality as the owner of the business is a council member of the Municipality. Included in operations were transactions totaling \$13,580 (2021 - \$72,923). These transactions are considered to be in the normal course of the operations and were measured at the exchange value (the amount of consideration established and agreed to by the related parties), which approximate the arm's length equivalent value.
