### Razzamatazz Dance Club

Razzamatazz Dance Club has been a consistent activity for the youth of Rivers and area for 25+ years. We are a non-profit group run by parent volunteers. We use fundraising to keep our costs low and to be able to offer learning opportunities for our students. Students are given the opportunity to participate in the Brandon Festival of the Arts and/or the Rolling River Festival. They are also given the option to take dance exams and do solos, duets or trios!

The dance season starts in September, and continues until April with a year end dance recital for spectators to watch!

With classes available for boys & girls ages 3 and up, there is a program for everyone to enjoy from tap, jazz, hip-hop, lyrical jazz, pointe (experienced dancers) and acrobatic arts!

## Riverdale CDC Report

The Riverdale CDC has been busy finishing up existing 2018 projects before the end of the year including signage (highway & provincial park), and a community bulletin board. The CDC has a loan program that was utilized this summer by a local business to enhance the services and appearance of its business!

The CDC invites those interested in the new hotel project in Rivers to attend a tour of the Souris Hotel built by Steel Creek Developers on Wednesday, August 29 @ 7pm. We will meet at the lobby in the hotel. Tour will be lead by Ken Rempel, owner of Steel Creek Developers. Email: [riversdalycdc@gmail.com](mailto:riversdalycdc@gmail.com) to be put on the list!
