2018 VALUE STATEMENTS

Transparency and Accountability

- ⦿ Operate in an open, accountable and transparent manner.
- ⦿ Open to the public, consistent with legislation, and respectful of the privacy of individuals.

Fiscally Responsible

- ⦿ Dedicated to being a fair and equitable steward of public funds and resources and will strive to attain value for public funds and, where reasonable, will provide services on a user pay basis.

Due Process

- ⦿ Due process will be afforded to everyone.

Honesty and Integrity

- ⦿ Honesty and Integrity will be the foundation from which Council and staff carry out their duties.

Future Impact and Sustainability

- ⦿ Guided by planning and policy, our future decisions will consider the needs of the present without compromising the ability of future generations to meet their own needs.

Needs Driven and Evidence Based

- ⦿ Council will strive to ensure that the programs, services and functions of the municipality are needs driven and based on the best evidence or information available.

Committed and Reliable

- ⦿ Council is committed to implementing its decisions and to doing what is right in terms of serving the best interests of the municipality as a whole.

2018 MILESTONES / PROJECTS

Focus Area	Economic or Community Development
Focus Area Defined	Riverdale Council has a role to play in the development of the Municipality and its future growth. The role of Council may be as a facilitator and may take either a community development or economic development approach. Council will determine and clarify its role and the role of others in that development.
Milestones/Projects	
Undertake a pre-feasibility analysis to ascertain if the concept of an enhanced rural water distribution system is worth perusing further.	
Meet with the Community Development Corporation to discuss Councils expectations including the development of a Community Development strategy for Council approval.	

Focus Area	Asset Management
Focus Area Defined	As with most municipalities in Canada, Riverdale is faced with the challenges of infrastructure maintenance and replacement deficits and the overall management of municipal assets including water, sewer, roads, streets, sidewalks, drainage, buildings and equipment. Long term planning is the foundation to addressing this challenge.
Milestones/Projects	
Develop and implement and Asset Management Plan.	

Focus Area	Public and Staff Safety
Focus Area Defined	The safety of the public and of staff is paramount.
Milestones/Projects	
Review case for a full time Fire Chief	
Develop a staff training strategy complete with financial implications.
