

## NOTICE OF REVISED SEWER RATES FOR RIVERDALE MUNICIPALITY RIVERS SEWER

August 24, 2020

The Manitoba Public Utilities Board (Board) has approved utility surcharges to recover debenture servicing costs, previously approved in-principle in Board Order No. 75/15, for the Riverdale Municipality (Municipality), Rivers Water and Wastewater Utility (Utility) water treatment plant (WTP) upgrade and wastewater lagoon construction projects.

The debentures were used to fund Series B of the WTP Project which consists of lake distribution pumps and the demolition of the old building as well as the lagoon construction project. Series A for the WTP was previously approved in Board Order No. 85/18.

Both surcharges are approved effective October 1, 2020 and are to be in effect for the length of the debentures, a period of 10 years for WTP Series B and 20 years for the lagoon project.

WTP Series B debenture surcharge of \$0.55/1,000 gallons  
Lagoon surcharge of \$11.05/1,000 gallons.

The current rates and **new rates effective October 1, 2020** are provided:
